Experience

UX and Web Designer

LHM and Co · Feb 2024 – Present

- Led end-to-end UX design workflows including research synthesis, user flows, wireframing, prototyping, and high-fidelity UI design in Figma
- Designed 100+ user-focused interfaces, increasing client approval rates by 30% and reducing revision cycles by 20%
- Designed and deliver responsive web experiences for B2B and B2C clients, improving usability, navigation clarity, and engagement
- Collaborated closely with developers to ensure accurate implementation and design consistency across platforms
- Incorporated user feedback and testing insights into iterative design improvements

Web Design & Marketing Intern

Frabeauty · Dec 2022 – Apr 2023

- Redesigned company website in WordPress, improving usability, visual hierarchy, and conversion-focused structure
- Contributed to a 10% increase in sales through optimized content, landing pages and digital marketing campaigns across Facebook, Instagram, and Google Ads
